**Short presentations by participants and networking between participants
regarding Living Labs related proposal ideas and contributions
for CIP ICT Policy Support Programme 3rd Call and FP7 ICT 4th & 5th Calls in 2009**

Presentations 3-5 min each, max. duration will depend on the number of submitted presentations.

Presentation slides, max. 3 slides per presentation, are to be sent beforehand by email to INFSO-F4-EVENTS@ec.europa.eu, latest on Thursday, 8 January 2009. Please mark clearly whether these
slides are **public** for posting at the event webpage afterwards or **restricted** for showing at the event.

On your slides, kindly include clearly the following points:

1. Please indicate whether you present from the **perspective(s)** of:

- a) a potential **overall proposal**, and for **which CIP ICT PSP or FP7 ICT Objective** do you foresee the proposal to be relevant to (see CIP ICT PSP and FP7 ICT Work Programmes for 2009),
- b) a **Living Lab**, seeking to participate in and contribute to proposals, and/or
- c) a potential **project partner**, such as an SME company with relevant competences.

2. Following a classification by the CO-LLABS Thematic Network, regarding potential Living Labs and ICT related **thematic domains**, please indicate the one(s) below where you have the greatest interest and competences, or indicate another promising Living Labs related thematic domain of your interest and competence:

- a) Wellbeing / Health / Inclusion
- b) Energy Efficiency / Environment
- c) Public Services
- d) Media / Creativity
- e) Rural Development
- f) Tourism
- g) Other thematic domain, please specify

3. For a Living Labs related project proposal, please indicate what you can **contribute** and what you **need** from others:

- a) what are **your relevant main ideas and competences**, and
- b) what do you **seek from other partners**.
